REPLY TO INTERVIEW SUMMARY

Dear Sir:

In response to the Interview Summary received February 13, 2009 applicants provide the following comments:

Applicants point out that while the application and applicant names are correctly indicated on the interview summary form, the examiner name, art unit, and interview participants are incorrect. Further, the identification of the prior art and substance of the interview are also incorrect. It is apparent that the Office simply switched interview summaries from a different case and different applicant. According to applicants' records, there was no interview held on the specified date of February 10, 2009. Further, the listed examiner is Taofiq A. Solola of art unit 1625. Applicants respectfully request withdrawal of the interview summary. The examiner's invited to contact the undersigned attorney for the applicant via telephone if such communication would expedite this application.
